

# EMPOWERING THE CHILD WITH AUTISM: A *Training for Parents and Professionals*

**1-3 FEBRUARY 2017**

Action for Autism conducted a training programme titled **Empowering the Child with Autism** from 1-3 February 2017 at The National Centre for Autism, New Delhi.

Over the course of three days the workshop focused on topics such as ‘The Culture of Autism (Understanding Autism; Neurocognitive Theories), Autism and Sensory Differences, Deconstructing behaviour, Assistive methods and Strategies, Techniques for effective learning, Privacy and Sexuality, Play and Leisure and Independent Living Skills, among other related topics. The workshop was conducted using a combination of lectures, videos and demonstrations.

A mixed group of parents, professionals from different disciplines and students attended the workshop making the total number of participants thirty eight in total.
