

## COMPUTER TEACHER

We invite enthusiastic and creative individuals who enjoy a challenge, to apply for the position of **Computer Teacher** at **Open Door Day Programme**. The position offers an enriching work experience and an opportunity to teach usage of computers to individuals with autism and communication differences, individually, as well as in an inclusive set up alongside typically developing children from mainstream schools.

If you have -

- A sound knowledge of computer fundamentals including Windows, MS Office, Internet surfing, and similar applications
- DSE(ASD) / BEd / DSE(MR) and/or Graduates in Psychology / Education / Child Development
- Interest in working with individuals with autism
- Good communication skills both written and oral essential.
- Prior experience in teaching children with autism will be an added advantage.

Interested and suitable candidates may send their applications with complete CV addressed to:
